

Genuine food grade SILVER - GOLD

## OROGOURMET

These precious gastronomic decorations will enhance your dishes, desserts or cocktails, bringing an exclusive touch of creativity and originality that will undoubtedly not go unnoticed.

We work by offering our customers various references as well as the highest quality in our products, adapting ourselves to the needs of each professional; chefs, pastry chefs, wine merchants, food companies.

The Orogourmet range is produced in Germany according to European food regulations.
